

Positioning as a Referee

-Try to stick to your diagonal zone, to always have a proper view on your assistants!

-Leave your diagonal zone if you think you need a better view on the situation (when the ball enters the penalty area for example.)

Signaling as a Referee

Indirect Free Kick

Direct Free Kick

Penalty Kick

Yellow/Red Card

Advantage (1)

Advantage (2)

Corner Kick

Goal Kick

Using the whistle 📣

Blow it clearly: be loud! All players should hear you.

Do blow your whistle to: give a free kick, allow a substitution or injury treatment

Do blow your whistle to restart play: with kick-offs, free kicks for which you place a wall, penalty kicks; or after a substitution/injury treatment

Do not blow your whistle for: throw-ins, corner kicks, goal kicks, goals
